

● ● ● 24/7 Harp Worship

The harp was central to the 24-hour, seven day a week, temple worship initiated by King David. (I Chronicles 25) For the past 2,000 years, the seraphic sounds of a Davidic Harp had all but vanished after the destruction of the second temple.

The Jerusalem Prophetic Harp School on the Mount of Olives was perhaps the first gathering of harpists who desired to worship in Spirit and in Truth since the days of King David, when Samuel and his School of the Prophets prophesied with harps. This school was a “new beginning” for the reintroduction of harp worship as a necessary component of the restoration of the Tabernacle of David, “times of the final redemption” - the days immediately preceding the coming of the Messiah. (Amos 9)

A vision was given to a German Pastor who heard the Jerusalem PHS students playing at the Garden Tomb. He saw the harp as a tree being planted in Israel, with many harps on its branches. The fruit of it, bursting its seeds, being spread throughout the world by the Ruach of God. At the base a sign, “It Is Accomplished”.

● ● ● *Why Valley Forge*

The Lord has laid it on our hearts to offer a school here in the Delaware Valley. Given the historical and spiritual significance, this region lends itself to be a terrific choice.

America is a nation blessed to have been founded on Biblical Christian principles exemplified by her forefathers like, George Washington, Benjamin Franklin, Thomas Jefferson and William Penn.

In 1775, shortly after the “shot heard round the world” which began the American Revolution, the Continental Congress, in Philadelphia, proclaimed a day of public humiliation, fasting and prayer and recommended that Christians, of all denominations, assemble for public worship.

A turning point in the American Revolution was here at Valley Forge where Gen. George Washington encamped his troops for the winter. No battle was fought here but many lost their lives here. It was at Valley Forge, that a rebel army became a cohesive force to be reckoned with.

The Constitution was adopted in Philadelphia in Sept of 1787. The document was penned here at Independence Hall in Philadelphia and is the oldest constitution still in use by any nation in the world.

There is a portal here and we need to ask God to use us mightily!
